Our story

Family-owned and proudly crafted, Marbella Designs specializes in custom upholstered furniture tailored for commercial and hospitality spaces.

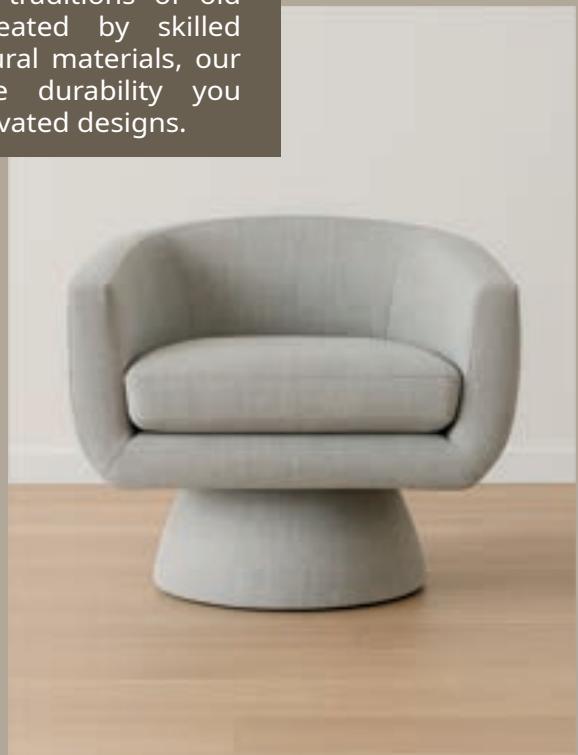

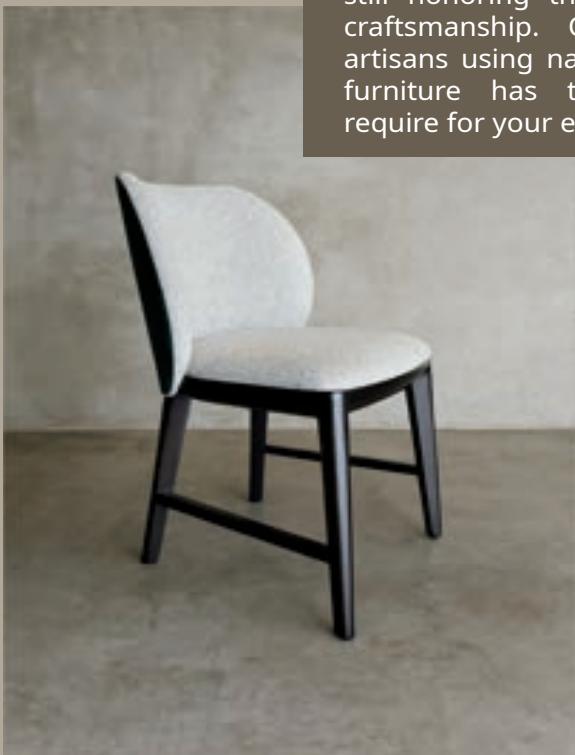

Marbella Designs was founded in 2003. At Marbella, we deliver a great product by Frank Cesare and Manuel Rodriguez. and on schedule, and we proudly stand. Together they had over 40 years of behind all our work. We believe manufacturing experience, making them communication is the key to successful the perfect duo. In 2007, Manuel's projects, so we strive to keep our daughter, Tiffany, joined the company, customers updated every step of the way. learning everything there was to know about furniture manufacturing. Recently, with the knowledge gained over the years, Tiffany has stepped into her father's shoes, earning the position of Principal. We are blessed to have significant, long-standing relationships with so many of our customers, many of whom have been with us since the beginning.

We welcome you, and we look forward to being your go-to source for hospitality furniture

Hand Crafted

Our furniture is made to meet the demands of hospitality spaces while still honoring the traditions of old craftsmanship. Created by skilled artisans using natural materials, our furniture has the durability you require for your elevated designs.
